# How to become a super hero

# Some facts

- **26%** of global greenhouse gas emissions
- **Half** of the world's habitable (ice- and desert-free) land
- **70%** of global freshwater withdrawals

Is our diet efficient?

**Someone is sitting in  
the shade today because  
someone planted a tree  
a long time ago.**

*Warren Buffett*

**“Heroes are made by the paths  
they choose, not the powers  
they are graced with.”**
